Colchester CO7 7WX

The centre's location next to the A12 is highly advantageous for those looking for quick and easy access to major transportation routes. This road is a primary north-south artery that connects the town with the M25 (J28) in just 40 minutes when heading south, and only 24 minutes when heading north, making it a highly convenient option for commuters or those who need to travel frequently. The proximity to Junction 29 (A12/A120) means that the centre is easily accessible for those coming from any direction.

The objective of designing this centre is to create a conducive working environment that promotes the growth and success of small businesses while fostering a sense of community among them. The two-story building is the main workspace hub that offers a unique blend of executive and lifestyle amenities. It boasts a beautifully designed double-height reception area and communal lobby, which serves as the focal point of the building. Additionally, there is a spacious open-plan break-out area that facilitates informal meetings, relaxation, and social networking among colleagues. Furthermore, the building has a dedicated coffee and refreshment station that caters to the needs of the workforce.
