

Serviced Office Space UK

Oxford OX4 1RE

This shared workspace is situated in a lively East Oxford business community with easy access from the Eastern bypass by car and on local bus routes. The city centre is a 10-minute cycle away. Located right above one of the best roasters in the city, great coffee is right on the doorstep with a variety of other interesting meeting and eating places nearby. It's a great place to spend the working day. The city attracts entrepreneurs, investors, and professionals from various sectors, facilitating connections and collaborations. Oxford benefits from good transportation links, including access to major airports and excellent rail connections to London and other cities. The local and national governments provide support for businesses in Oxford, offering grants, incentives, and initiatives to encourage economic growth and innovation.

This workspace is an open-plan studio bathed in natural light to enhance mood, productivity, and overall well-being. Access is typically between 9 to 5 from Monday to Friday through which times there is on-site management for security, with extended rights to access (24 hours) available for long-term licensees. The spacious nature of the workspace allows us to be able to provide large desks for the guests. For the times when tenants prefer not to take advantage of the numerous cafés for food and refreshments the fully equipped kitchen is available for use. Fibre broadband is available for the tenant. Some off-street parking is also available.
