

Serviced Office Space UK

77 Heyford Park

Upper Heyford OX25 5HD

Based on the former RAF base, Heyford Park Innovation Centre is the ideal location for you if your business is just starting out or you are looking for more space to expand. With flexible office space, dry lab workshop space, and CAT 2 lab space, all available under 1 roof. Excellent transport links with the M40, A34, A43 on the doorstep with plenty of free parking for you and your visitors. We are home to many entrepreneurs, including a mix of technology and science-based businesses, along with related service industries, so you are sure to find like-minded people to bounce ideas off, not just in the Innovation Centre but the wider network of Oxford Innovation Space Centres. Settle in to our spaces, make use of our on-site kitchens, host in a choice of meeting rooms, and make connections at our networking events. At Heyford Park, we make sure you have everything you need.

Spaces for small start-ups to established businesses. The centre is part of Oxford Innovation Space and includes business support as we are an innovation centre. Being part of a wider organisation opens to more connections, community, opportunities and support. Variety of office spaces, dedicated labs, dry lab/workshop spaces, starting from 300 ft. sq. to suites. The centre is science and tech with related industries and services, so you can be sure you will meet like-minded entrepreneurs. Business lounges, meeting spaces, conference facility, up-to-date IT services, on-site management team and reception services.
