

Serviced Office Space UK

Cobalt 15A

Newcastle NE270QQ

Modern and convenient office space awaits in Newcastle at the business park near the commercial hub of Newcastle city centre. This location connects to the city centre in 10 minutes by car or bus, where finance, retail, and nightlife enterprises flourish. The international airport is 5.4 miles or 8.7 kilometres away from the business park, offering flights to many destinations across Europe and beyond. The business park is a renowned and prestigious location, with ultra-modern office space for diverse and dynamic businesses.

Businesses and individuals looking for a stunning office space that will impress clients? Look no further than this modern building with a sleek, silver exterior and a glass-fronted lobby. This workspace offers everything needed to work efficiently, comfortably and with efficiency. The workspaces range from open-plan offices with high-speed Wi-Fi to private meeting rooms for business gatherings. On-site support and relaxed breakout areas are also available, where other professionals can be connected. This workspace is more than just an office, it is a place where business can be grown and goals can be achieved.
