

## Michelin Scotland Innovation Parc

Dundee DD4 8UQ

Dundee, a coastal city with a regenerated waterfront, hosts this workspace. Two nautical museums, RRS Discovery and HMS Unicorn, showcase the city’s maritime heritage. The workspace location offers convenience and accessibility, as public transport options such as bus stops and metro stations are nearby. The workspace is also close to train stations and international airports, making business travel easy. This workspace is ideal for teams who want to enjoy both accessibility and convenience. Visitors who drive can find parking spaces.

Rent different meeting rooms at this centre, which is ideal for various corporate events such as meetings, training, and seminars. Small groups will find this venue more formal than the local coffee shop. The venue provides WiFi and other equipment and facilities, which are detailed in the room descriptions. Public transport serves this venue well, making it easy to reach. The venue has ramp access for visitors with mobility challenges. A mix of common spaces, engaging coworking spaces, and more are available at this flex office space. Modern meeting rooms and fully equipped workspaces offer an amazing work experience to the members.
