

Serviced Office Space UK

Ormskirk Road

Liverpool L9 5AS

Situated at the crossroads of convenience, Liverpool, UK, offers a prime location that is easily accessible from major motorways, including the M57, M58, M62, and M6. Beyond its road networks, the area is well-connected by its dedicated train station, ensuring seamless transportation options for both residents and visitors. This accessibility makes commuting to work or exploring the city's renowned cultural landmarks and bustling attractions effortless. Whether members are heading to the historic Albert Dock, catching a match at Anfield Stadium, or indulging in the vibrant nightlife of the city centre, navigating Liverpool is a breeze thanks to its extensive transportation infrastructure.

Executive boxes are the perfect flexible working space for meetings from 1 to 10 delegates, with the option to open up multiple boxes for a larger space if needed. A unique setting for interviews, remote working, and offsite meetings, the boxes offer views over the racecourse and balcony access. Located in the Princess Royal Stand, they benefit from a staffed reception during office hours and plenty of free car parking all day long. The team can assist in adding AV equipment to the working space, or guests can make use of the included LED screen. External event space is available for a breath of fresh air.
