23 Goswell Road

London EC1M 7AJ

Inspired by the bold and iconic brutalist design of the Barbican and the creative spirit of Clerkenwell's design district, we have created a space that is more than just concrete and steel; it's a place where ideas take shape, concepts are constructed and collaborations are formed. To reflect its rich geographical location, our coworking space on Goswell Road, has been carefully considered to feature elements of industrial and scandinavian design, with hand painted murals adorning its walls and feature bold bursts of contemporary, locally sourced art. When selecting your membership you can be rest-assured that you have everything you need and more to thrive in your new business home.
