## Aurora

### Glasgow G2 7JS

Cubo Glasgow is due to open in Q2 of 2024 and is located in the Aurora building which sits in the heart of Glasgow's central business district and the city's International financial district. It is surrounded by a vibrant and eclectic mix of restaurants, bars, and coffee shops, along with retail, fitness centres and hotels. It has direct access to the city's public transport links and parking facilities, which has made the location home to many of the city's key businesses. The building also includes a 4000sqft rooftop terrace, wellness area and fitness studio, plus extensive and very high-quality amenities including an auditorium, townhall meeting space and podcast studio! All which can be used by Cubo members. Cubo Glasgow is designed over one 20,000sq ft floor with panoramic views, it is definitely an impressive space for you and your clients. Ample co-working space, reception area, barista station, kitchens and meeting rooms and of course an extensive range of private offices and designated desks. You can access the Cubo floors via lift or stairs, and members have building access 24/7. You and your clients can enjoy an easy commute, impressive meeting rooms, and the best of Glasgow's cultural centre on your doorstep. This city centre office is suitable for businesses big and small, with hot desks, designated desks, co-working spaces, private offices, or even entire floors all available on flexible terms. Whatever your business needs, there's something for you!
