

Serviced Office Space UK

High Wycombe HP13 6LA

This centre is strategically located within High Wycombe's business hub, adjacent to the main High Wycombe train station with easy access to Marylebone. A five minute drive ensures direct motorway access onto the M40 at Junction 4, with quick links to the M4, M25 and M1. The centre is surrounded by local amenities including restaurants, bars, banks and shops because of it's excellent location on the edge of the town centre. London Heathrow Airport can be accessed in less than half an hour by road.

This professional business centre is in an outstanding location adjacent to High Wycombe Station. Offering leased space on flexible terms, meeting rooms, and virtual offices starting from very reasonable prices. The meeting room has boardroom style seating for 8 people and is very well priced, offering free WiFi and a HD monitor display. This is a modern office facility, customer-focused company that draws experience from the hospitality and facilities management industries. There is 24-hour access available to tenants, as well as air conditioning, creating a very comfortable working environment. EPC Rating D.
