

Serviced Office Space UK

Haddenham HP17 8BY

The centre is 300m from Thame and Haddenham Parkway Chiltern Railway Station, (London Marylebone / Birmingham), six miles from Aylesbury, two and a half miles from Thame, and eight miles from Junction 7/8 M40. The 280 regular bus service between Oxford and Aylesbury via Thame is right outside the door. Haddenham itself has good shopping and services, excellent cafe's and first rate pubs. Parts of Haddenham are very old with a spectacular perpendicular-style church by the village pond. Ducks a plenty.

Haddenham is a growing town on the border between Oxfordshire and Bucks. This business centre contains 20 offices offering options from a single desk workstations in shared space to a seven/eight person office. Cabling is to standard CAT 5e and lighting to Cat 2 throughout while some rooms are air conditioned. Each room is individually alarmed and the building is connected to a monitoring station out of business hours. The keyholder lives in the village so there are no long waits involved. The centre is ideal for startups and the building hums with friendly activity as people build their businesses. There is plenty of co-working contact, free car parking surrounds the building, while IT support is only ten metres away. The building is cleaned every weekday evening and kitchen facilities are available on both floors.
