

Serviced Office Space UK

Isidore Road

Bromsgrove B60 3ET

This centre is located at Bromsgrove Technology Park, just off Aston Road, close to the A38, and within 3 miles of the M5 and M42 motorways. Local amenities include a Morrisons' Supermarket, Greggs and a petrol station. Just over half an hour away by road in Birmingham City Centre, which has many attractions, including The Bullring and Grand Central shopping centres, fantastic places to eat and drink, excellent music, and sporting venues. Birmingham International Airport is located outside of the city centre.

This centre in Bromsgrove provides a wide range of affordable small business units for office, studio or workshop use to let on easy-in/easy-out terms. This centre offers accommodation ranging from micro units suitable for one-person businesses to large linked business suites, drive-up studios and a wide range of spacious workshop units, most with mezzanine office floors. All units are left unfurnished and ideal for starter businesses or those already established but looking for a base in Bromsgrove. This centre is fully managed with reception facilities during business hours and a full range of business support provided.
