

Serviced Office Space UK

London

London W1J 6BD

This business centre has a variety of shops, boutiques, museums and restaurants close by. Charing Cross Railway Station is a two-minute walk from the centre, and Waterloo station with mainline services is a 10-minute tube or taxi ride. Other buses, trains and underground routes are all easy to reach. London has amazing nightlife, and the buzz of the Capital is there for the guests to make the most of. Heathrow Airport, located outside of the city, is easily accessible via road or public transport.

The magnificent and entirely refurbished 1820s building boasts serviced offices and large conference rooms available on flexible terms. Staff are available onsite to provide the tenants with 24-hour reception service and comprehensive admin support. Residents will be able to access private meeting rooms as well as breakout areas which are perfect for more informal meetings or just to take a well-deserved break. This centre offers all-inclusive pricing, so that can move in with peace of mind that there will be no unexpected costs each month. Moreover, the workspace offers breakout areas where members can enjoy beverages while networking with coworkers.
