Calls Wharf is a serviced office workspace sitting on the banks of the River Aire, right at the heart of Leeds' creative quarter, just a 5-minute walk from Leeds Train Station. Large windows flood the building with plenty of natural light, and exposed brickwork and original beams add character to this converted riverside warehouse, originally built in 1829, where the simple yet historic exterior remains. As well as featuring air-conditioned office workspaces arranged over four floors, Calls Wharf features two impressive meeting rooms, a large and welcoming reception, and stylish breakout areas. Whether you're networking, meeting or focusing on work, this workspace gives you everything you need in one place. It's all built for business, fully furnished and ready when you are.
