

Serviced Office Space UK

2 King Street

Nottingham NG1 2AS

This centre is situated in the heart of the city centre's business community with views of Market Square and Council House. Moments from the city's best hotels, restaurants and shops, King Street also has excellent transport links, with Nottingham Railway Station offering direct services to St. Pancras International, Birmingham New Street and Liverpool Lime Street. This is a Grade II listed building with a contemporary fit-out, offering all facilities and more members would expect from an office environment.

Built in 1821, this is a unique and impressive property. A Grade II Listed building that still contains a wealth of original architectural features, it lies in the heart of a conservation area in the centre of Nottingham. It covers a total of 8,500 sq ft. This centre provides up to 36 high-quality, fully furnished offices ranging from 95 to 2,500 sq ft. The key emphasis of the development is to deliver maximum flexibility and convenience without impacting the inherent character of the original building. This centre offers a full range of office types, facilities and services. Lease arrangements are entirely flexible. This is not a concept merely aimed at small or growing businesses. In today's market, to take advantage of opportunities, people need to react quickly - finding the right location for a business can be a drawn-out and expensive process.
