

Serviced Office Space UK

Tower House Business Centre

York YO10 4UA

This centre is only 5 minutes by taxi from the station, which is served by the east coast mainline to London, Edinburgh and numerous locations between.

This was purpose-built in the late 1800s as the Army's Northern Command Headquarters. Dominating the skyline, the clock tower still houses its original winding. In the early 1990s the building was restored and refurbished as a business centre housing 33 offices of different sizes ranging from 133 to 1,485 sq ft. Office rent includes all heating, electricity, power supply, security, office furniture, water rates, business rates, building insurance, cleaning and maintenance.
