

Serviced Office Space UK

Newent Road

Highnam GL2 8DN

In a unique location a short distance from Gloucester, this business centre is well connected by road access off the A40, Gloucester Northern by-pass, linking to the city centre and the M5 motorway, J11 and J11a. There is a choice of local amenities nearby including a Post Office and golf course as well as the on-site café/sandwich shop.

This centre provides an attractive working environment in a modern business setting. Established in 1996 the business centre provides a working environment for some 200+ employees. This centre is a mix of converted and new office buildings arranged within three distinct courtyards with a mix of sizes to suit both small and medium sized businesses from 200 to 5000 sq ft within 21 office buildings. The offices are let unfurnished either serviced or self-contained and have kitchen and toilet facilities.
