

# Serviced Office Space UK

---

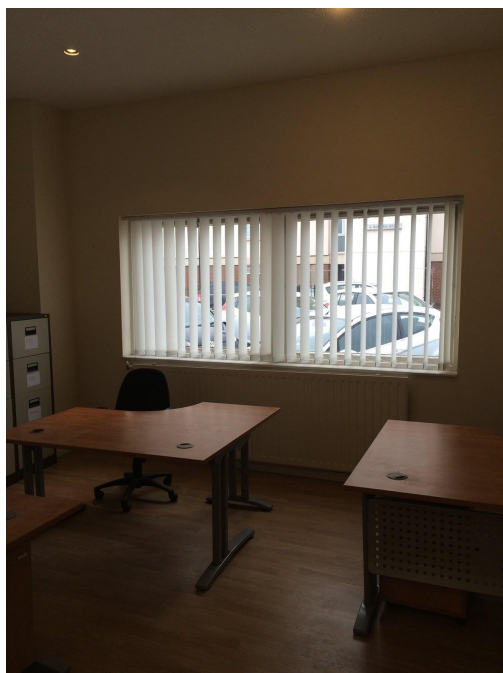

## Lower Harding Street

### Northampton NN1 2JL

The centre is located within 5 minutes walk of the Northampton train station and within a mile of the bus station and town centre

This centre can offer a range of furnished or unfurnished office suites for as little as a one month commitment. There are no administration fees, formalities or credit check - just a simple licensing agreement. After signing and paying your first months rental and security deposit you could be in business on the same day. Your low monthly rental includes business rates, heating, lighting, buildings insurance, car parking and cleaning of communal areas. You only have to arrange telephone and internet connections. This centre is ideal for start-up companies, temporary accommodation or satellite operations giving flexible business solutions in a key location. Flexible office space enables your businesses to budget accurately and to align their space requirements with their business plans, without massive investment and all the complications involved in long term leases.
