

Serviced Office Space UK

Stonehouse GL10 3RF

Located within a mile of the M5 (Junction 13), this centre provides rapid access to Bristol, Gloucester and Cheltenham, all within half an hour's drive time. Swindon and the M4, as well as South Wales and the Midlands, are also within easy reach. Stonehouse and Stroud, both expanding commercial towns, provide a wide range of shops, hotels and excellent restaurants. They also have direct Inter-City rail links to London Paddington, which takes 1.5 hours.

Formerly one of the major woollen mills of the Stroud Valleys, this centre now offers a wide range of accommodation for modern business use equally suited to the needs of both start-up and established companies. Refurbished mill buildings provide a range of character offices and workspace with ample car parking and offering flexible terms. Minimum lease of 12 months on offices and 6 months on storage space. EPC Rating D.
