### Manchester M20 2YY

With excellent access to the motorway network, this Centre also offers a direct rail link to the city centre and is only a 15-minute drive from Manchester International Airport. The centre of Manchester has excellent shopping facilities as well as some amazing places to eat and drink. Major activities in the city's fast growing economy include professional services, life science industries, creative, cultural and media, manufacturing and communications companies serving local, regional and international markets.

The Didsbury business centre is an impressive standalone modern glass building well situated in the heart of the Towers Business Park. This contemporary business centre, on the outskirts of Manchester, provides serviced offices on flexible terms, in a modern and light environment. This centre offers all-inclusive pricing, so you can move in with peace of mind that there will be no unexpected costs each month. 24-hour access is available, offering flexibility with working hours if required. There are also conference facilities, meeting rooms, access to a kitchen, parking spaces and administrative support.
