These serviced offices at the entrance to the Exchange Quay development have been meticulously refurbished and designed to enable your company to thrive. Offering a prime location, tailor-made IT solutions, spectacular interiors, exemplary service, state-of-the-art meeting facilities, all delivered with an environmental conscience. It's hard to find other managed offices in Manchester quite like these. For maximum flexibility, these offices can be accessed by tenants 24-hours a day. There is the added benefit of accessing centres across the country, ideal for flexible and remote working.
