Hamilton Road

Portsmouth PO6 4PY

Located in the upper reaches of Portsmouth Harbour, opposite Port Solent and just 5 minutes from the M27, this centre is ideally situated for marine and industrial users of all sizes. On-site there are slipways and holding pontoons available.

This centre provides a unique opportunity for new businesses to interact with a wide range of companies over many different sectors. With over 35 different tenants in this building, the centre provides an environment in which different companies can collaborate and help each other grow. If you are serious about an office, at a budget that suits you, with no long term contracts, then this is the centre for you.
