## Takeley CM22 6PU

Strategically located nearby to all transport links and approximately 15 minutes from Bishop's Stortford town centre. London and Cambridge are quickly and easily accessible via the M11, whilst Braintree, Colchester and Hertford are easily reached via the A120. A pre-booked complementary shuttle service bus is available to and from Stansted Airport and the local station, making them very easily accessible. The station offers services to various destinations including London Liverpool Street and Birmingham New Street.

This property is an exceptionally high-quality, contemporary building, incorporating the latest technology and offering fully air-conditioned serviced offices. The business centre offers a Street Café located within the centre's impressive atrium, perfect for an informal gathering. Additional services include state-of-the-art communication systems, an impressive theatre style conference room and on-site gym facilities, all offered on short-term flexible licenses. Administrative support is available on-site, as well as IT support, and the parking spaces available are perfect for commuters and visitors.
