

Serviced Office Space UK

Long Meadow

South Brent TQ10 9YS

Situated in the stunning surroundings of the South West, these units are not only practical but an idyllic place to work. Based within easy access of the A38 Devon Expressway in South Brent, Devon, it is in a prominent location to base your business. South Brent is in between Exeter and Plymouth, both of which are dominant commercial cities in the business world. South Brent is a picturesque location yet has a variety of services and businesses within close proximity. We can guarantee you won't find a more relaxing naturally beautiful area to work, especially with the benefits of being so close to Plymouth and Exeter.

These units are constructed from top quality materials, portal framed and insulated with steel-clad roofing. Each have a rendered finish on to a concrete block wall with facing brick panels. Timber windows and first floor overhang which perfectly harmonises the construction with the country location. The whole estate was designed to look and feel quality which in turn helps increase the impression your brand makes on potential customers.
