

Serviced Office Space UK

12th Floor

London EC2A 2EW

This business centre is part of the fantastic Broadgate development, a major new public space which boasts a galleria with shops, bars, restaurants and cafés. The centre is located adjacent to London Liverpool Street railway and underground station, providing excellent city-wide and out-of-town transport links, whilst London City Airport is just seven miles away, offering international travel. London has no shortage of landmarks and attractions, and thanks to the practical location of this centre, they can all be easily explored with on-foot or by using public transport.

These Towers were designed by the Chicago office of award-winning architects Skidmore, Owings and Merrill (SOM). The building is 540 feet tall and provides stunning city-wide views and elegant, wonderfully light offices. This building tower is one of a small number of new buildings that will redefine the City skyline, creating a great corporate presence and identity. Sleek and modern, the workspace is a great place for businesses working with the area's numerous global banking, technology or financial services firms. Features include fully serviced offices, 22 easy-to-book meeting rooms, a drop-in business lounge, and concierge style reception services. This centre offers all-inclusive pricing, so you can move in with peace of mind that there will be no unexpected costs each month.
