

61 Willow Walk

London SE1 5SF

Access Self Storage Bermondsey is conveniently situated on Willow Walk in Southwark, making it easy to access for customers in Elephant & Castle, Walworth, the St Saviours Estate and neighbouring areas of Central London. These purpose-built offices are just 10 minutes' walk from Elephant and Castle Rail and Tube and Bermondsey Tube Stations, and are also well served by local buses. Tower Bridge Road, the A2 and A3 are all in easy reach, and free parking is available on-site. Local amenities are within 2 minutes' walk of the office suites. We know that space is always at a premium for London residents, so why not store the things you only need occasionally? Our clean, modern storage lockers are the ideal place to keep your possessions – whether you need to store the entire contents of your van, or just a few items while you move or redecorate. Self storage can also be the perfect solution for local businesses struggling for space, which is also a common issue in central London. Our Tower Bridge storage units range from a 9 sq ft locker to a 500 sq ft space, and you can easily change to a different size unit as your needs fluctuate. At Access Self Storage Bermondsey you can even rent flexible office space, or use our telephone answering or mailroom services. Business users also have access to our secure parking facility, located outside of the Congestion Charging Zone!

Affordable, commercial property from 600 sq ft (56 m²) to 800 sq ft (74 m²). Short, flexible leases offer customers the opportunity to expand or contract as their requirements demand. Lease terms are fully inclusive of business rates, service charges and utilities and free secure parking is available. Deliveries and collections can be overseen on tenants' behalf. Storage and warehouse facilities are also on-hand, facilitating short-term fluctuations in stock, or again allowing customers to increase or decrease their space in-line with business demands or staff requirements. Storage spaces can be rented from as little as one week to as long as required. EPC Rating G.
