

Serviced Office Space UK

London EC2M 1QS

This iconic centre is located in London's prime financial and business centre of the City of London. Also referred to as the 'Square Mile', it is ranked alongside New York City as the leading centre of global finance. This new high-rise is situated on Old Broad Street and above Liverpool Street tube station, in the business centre, providing direct access to London's three central train lines and an abundant range of retail, café and bar options. In addition, Heathrow and London City Airports are both easily accessible from this location.

Standing 74 meters high, the newly refurbished centre offers a first-class, exclusive atmosphere coupled with spacious, high-ceiling facilities and multi-million pound, five-star fit-out. As you walk out the elevator, the original commissioned artwork, a large granite reception area with expansive spectacular views of London, offers an unforgettable experience to any visitor. On the 17th floor, as you walk out the elevator, the large granite reception area with expansive views of London and original commissioned artwork offers an unforgettable experience to any visitor. Besides incredible views, the impressive boardrooms, meeting rooms, business lounge and exclusive kitchen make this office location one of the best serviced offices within the business centres of the City of London. Anyone can put a desk and a phone into a room and call themselves a serviced office; however, we invest in developing and enhancing proprietary software that will drive your business. Our high-speed internet service is designed in house for the multi-tenant environment built for business and is unique to the industry. A highly qualified team is on hand to ensure you have everything you need to keep your business running smoothly. Your personal assistant becomes your one point of contact for all administrative needs. By being a client of ours, you will have the power of a multinational corporation, and it's complimentary to travel and work from any other location of ours. The office space is flexible; you could grow into the office next door. Renovate it if you wish, or expand into offices around the world. Take office for just one month - or stay forever!
