

Serviced Office Space UK

Collingwood Buildings

Newcastle NE1 1JF

This centre is situated on the northern side of Collingwood Street and is approximately 200m to the east of the Central railway station. From there, clients will find various intercity services including to London Kings Cross, as well as access to the Tyne & Wear Metro network. Collingwood Street links with Mosley Street and the Central Motorway are approximately 400m to the east and Westgate Road and the Redheugh Bridge are approximately half a mile to the west. The latter provides direct access to the A1(M) Western Bypass.

These offices are of the highest standards, boasting the very latest in communication infrastructure. Fitted-out in style and ready for occupation for Newcastle's elite business community. This centre provides reception services, a high-speed internet connection, a professional telephone answering service, fully air-conditioned offices, kitchens, complimentary beverages, and much more. For those cycling to the office, there is bike storage, as well as shower facilities, and for those commuting by train, the station is just minutes away. 24-hour access is available to tenants, great for those businesses that may require flexible working hours.
