## Bristol BS1 4DJ

Located on a prime business area, this centre is situated with easy access to all main transport networks. These include Temple Mead Railway Station and the M32 less than two miles away. This location provides a visual reminder of the city's nautical past and it is still a major importer of goods including cars and wine. Bristol has an excellent amount of cafes, bars and restaurants, as well as shopping outlets, various places to relax, and plenty of hotels, ranging from budget rooms to luxurious places to stay.

This purpose-built business centre is located within the financial and business district. All offices are fully serviced and fitted-out to a high specification, as are the communal areas and meeting rooms. In contrast to its exterior, which is designed in the style of traditional wharf architecture, this notable building's interior is a state-of-the-art celebration of modern business. This centre offers all-inclusive pricing, so you can move in with peace of mind that there will be no unexpected costs each month. It is also accessible 24-hours a day, so flexible working hours are available if needed.
