### Cambridge CB24 9AD

Located in a prime business park location with easy access to the A14, this centre is a short distance from the city centre and University district, and is well-served by buses. The region, also called the Cambridge Cluster, is home to a large number of hi-tech businesses, particularly those related to software, electronics and biotechnology. In the centre of Cambridge, there is plenty to see and do, with historical buildings to visits, as well a range places to enjoy something to eat and drink.

This business centre features an impressive glass atrium and modern tan-coloured exterior. Each office has been decorated in a contemporary style, with a modern décor and art work throughout common areas. The offices are particularly suited to companies from technology and science based backgrounds due to its location. Flexible license agreements allow for instant occupation. This centre offers all-inclusive pricing, so you can move in with peace of mind that there will be no unexpected costs at the end of each month, and 24-hour access allows for flexible working hours should they be required.
