

# Serviced Office Space UK

## Bedford MK40 3HD

This centre is conveniently situated in the heart of Bedford town centre. Surrounded by shops, gyms, restaurants, bars and ample parking. Bedford's prestigious riverside embankment is a 2 minute walkaway, making for a beautifully picturesque lunchtime stroll to unwind, de-stress and grab an ice cream. Bedford Railway Station runs services to a number of locations, including London St. Pancras International, Nottingham, Brighton and Gatwick Airport. As well as this, there are bus services running throughout the town.

A thriving Business Incubation Centre located in the heart of Bedford, providing access to high quality networks and support in a vibrant, flexible and very affordable community for start-up and growing businesses. Services provided are fully serviced offices, hot-desks, virtual offices, telephone line rental, heating and electricity charges included in fee. There is access to meeting & training rooms at discounted rates, business mail address, mail handling and forwarding service for a fee based on individual items. There is access to printing and photocopying services, high speed Broadband internet access including WiFi connectivity through all of the building, access to networking events, promotional opportunities through the centre's website, supportive and attractive work environment. The best of both worlds; quality, flexible office space solutions without the hassle of entering into long term leases, arranging maintenance, cleaning, telephone line rental and broadband services, etc.
