

Serviced Office Space UK

28b Hampstead High Street

London NW3 1QA

The building is located within a few minutes' walk from Hampstead Underground station providing access to the Northern Line. These offices are easily accessible for transport into and out of London. There are numerous restaurants, cafés and bars in the area, creating a 'village' feel.

Centrally located on Hampstead High Street, these modern serviced offices have a selection of one-person office suites currently available on the lower ground floor. They are available on flexible terms for a minimum of two months. The offices have recently been refurbished and have a bright and airy feel.
