

Serviced Office Space UK

Sheffield S1 2BJ

The workspace is located a stone's throw from the train and bus stations, making this perfectly located for all forms of public transport and thus widening the talent pool. By car, this is just 10 minutes from the M1, based on the inner city ring road. The business centre is well-connected in every sense. There is an on-site underground car parking with both visitor bays and rentable spaces. This location is perfectly positioned for access to city centre cafes, restaurants, and shops all of which can be reached within a 10-minute walk or less. As the greenest city in England, the clients are never too far from one of Sheffield's beautiful parks or woodlands, and respite from the city can also be found just over 20 minutes away in the Peak District.

Looking for a professional and modern workspace to help grow the business? Look no further than this business centre! Based in the heart of Sheffield city centre, this space provides flexible office space for any business, from freelancers to small start-ups to large organizations, and is a place for collaboration, creativity, and innovation. The facilities are designed with productivity in mind, and the central location makes the centre easily accessible for clients and employees. This office offer 24/7 access to the workspace, so the clients can work according to the schedule. The meeting room is perfect for brainstorming sessions or client presentations, and the high-speed internet and WIFI will keep the members connected. This space also offers on-site parking and bike storage for the client's convenience. This business centre is the perfect place to help the business thrive.
