

Serviced Office Space UK

Whitehill Lane

Swindon SN4 7DB

Bowman House is situated in Royal Wootton Bassett only 3 miles from Junction 16 of the M4 giving great motorway access to Reading, London and the south east as well as Bristol and The south West. Bristol International Airport is only 47 miles away This is a great location for access and has plenty of parking spaces available for tenants and visitors. There is a excellent cafe just a short walk from the building, ideal for lunch breaks or more relaxed meetings. Nearby to the centre is a local supermarket and a hotel

This centre is an impressive purpose built modern business centre, located in an attractive courtyard development of office and business units set within an easily accessible location which benefits from rural views. Offering fully serviced office space on easy in - easy out terms, the centre is the ideal base for new start and growing businesses, through to the well established. From the manned reception, through to the light and airy break out area the contemporary design really impresses. Features include superfast dedicated broadband, air conditioning, CCTV, 24/7 secure access, ample parking, commercial grade secure WiFi network, plug & play telephony, meeting space, well appointed common facilities and each office is furnished and ready for immediate occupation.
