St Mary's Court

Amersham HP7 OUT

Amersham is an attractive town 27 miles north-west of London in the Chiltern hills. The town offers great restaurants, country pubs, antiques and craft shops along with designer boutiques. Situated in the heart of Old Amersham, St Mary's Court business centre is located across two contemporary properties. The town is served by Amersham Railway Station, which offers direct, regular services to London Marylebone, meaning that meeting in the City can be reached in speed and comfort. Other attractions are offered in the form of interesting museums.

This is actually two contemporary buildings, which were purpose-built and have been finished to the highest possible standards. Located in the charming town of Amersham, with its pretty streets of half-timbered houses, period cottages and antique shops, this location feels a million miles from central London. Yet its offices and suites are just as well-equipped and expertly serviced as those you'll find in the capital. Rooms here are bright and spacious, with plenty of natural light, and there's a wide choice to suit all companies, whatever size or requirements. Note: the monthly costs quoted are inclusive of features such as bandwidth and IP telephony – please bear this in mind when comparing offices. This centre offers all-inclusive pricing, so you can move in with peace of mind that there will be no unexpected costs each month.
