

Serviced Office Space UK

Folkestone CT20 1JU

Folkestone is now under an hour away from London St Pancras International, which offers Eurostar services to Paris and Brussels. Folkestone Central Station is a short walk from the centre of town and approximately 15-minutes from the business centre. A direct National Express coach service runs from London Victoria Coach Station to the main bus station in Bouverie Square, Folkestone. Stagecoach also operates a network of routes linking nearby towns and villages, so the space is extremely well connected.

This is an inspirational workplace providing an exceptional working environment with a central location, a stone's throw from Folkestone harbour. The accommodation ranges from serviced desk space for one person whilst accommodating for the more established business, with both separate units and self-contained floor space. The building also provides a co-working space to assist start up businesses with additional wider support services. Facilities include postal, printing, admin services, meeting rooms and parking options. The building also benefits from high speed Internet and state-of-the-art digital telecoms system for unified communication. Virtual office packages are also available.
