

Serviced Office Space UK

28 Queen Street

London EC4R 1BB

Situated in the heart of the City of London, this business centre has excellent transport links with Mansion House, Bank and Cannon Street stations just a short walk away. Whilst most serviced office space in the area is modern and lacking in character, this office facility is a rare find, which offers a unique solution in the city market. Many restaurants, cafes, shopping centres, and other local amenities are close to this centre. There are also hotels, including The Ned and Apex London Wall Hotel.

The building has recently been restored and refurbished to the highest standard throughout, and the new interior design compliments the original period features of the Georgian properties. The workplaces all come unbranded and fully furnished. Best of all, the space is available on flexible terms in a wide range of sizes, meaning clients can get a bespoke office solution that suits them. The centre offers several facilities, such as high-speed internet, professional meeting rooms, concierge services, mail handling, business-class printers, a beautiful kitchen, and professional-grade daily cleaning.
