## All Saints Road

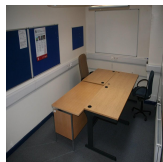

### Wolverhampton WV2 1EL

The workspace is nearby, a short walk from the city centre, and has excellent road links. It is close to The Royal metro station, which provides a direct link to Birmingham and the Black Country. Situated close to the former Royal Hospital, there are several local amenities nearby, including shops and green space. The city has excellent transport links, with the railway station running intercity services to London Euston and other destinations. The city also offers beautiful places to eat and drink.

This workspace is a business centre offering high-quality serviced office space at competitive rates. There are a range of units designed to suit a variety of businesses, from start-ups to larger companies. All units are well appointed and feature pre-cabled internet and office furniture supplied as standard. All rents are fully inclusive of services for heating, lighting and power. There is a friendly and professional reception team available in a CCTV-covered car park that is free for tenants. There is also a range of extra amenities including meeting and event space, an on-site day nursery, and 5-a-side football pitches.
