

Serviced Office Space UK

Cirrus Building

Aberdeen AB21 0BH

Offering fantastic transport links in a key commercial location, the contemporary workspace would suit any company working in global oil and gas technology. On the doorstep of Aberdeen International Airport, this centre also boasts a direct connection to Inverness via the nearby A96, and is less than three miles away from Dyce railway station. There are a number of hotels located nearby, including the Aberdeen Marriott Hotel which is just two miles away, offering a range of accommodation, dining and health and fitness facilities.

Now open, this ultra-connected business centre with smart interiors is part of a major global 54-acre business park. Strategically situated on the doorstep of Aberdeen International Airport, the centre also boasts direct connections to the A96 to Inverness, and is less than three miles away from Dyce railway station. In addition to modern offices, the centre offers easy-to-book meeting rooms and an impressive first-floor business lounge serving free tea and coffee. Should flexible working hours be required, this centre is ideal as it allows access 24-hours a day. There is also a security system.
