

Serviced Office Space UK

4 Meteor Way

Lee-on-the-Solent PO13 9FU

This professional centre is perfectly situated between Portsmouth and Southampton on the prestigious Daedalus campus at Lee-on-the-Solent, close to major transport links and networks. This space can be easily accessed via car from the M27, A32, A27 or train, as the centre is located 12 minutes from Fareham train station. There are regular, frequent services to London Waterloo, Southampton, Cardiff and other destinations. Local amenities include a pub, and there are further amenities in the town centre.

This brand new business space located at the Solent Enterprise Zone at Daedalus will offer a range of serviced office space and workshops in Fareham at flexible, affordable rates. Occupying companies benefit from a 100% discount on business rates relief as part of the Solent Enterprise Zone development. Our offices and workshops are spread over two floors, accommodating businesses of all sizes and offering the support needed to help your business grow without the risk of a lengthy contract. The office is equipped with high-speed broadband, VoIP Telephony Technology, and complemented with state of the art facilities and high-quality business support. Benefits of this newly built modern centre also include free on-site parking, a flexible licence agreement with as little as one month's notice, access to a printer/photocopier, friendly reception and management staff, along with much more.
