

# Serviced Office Space UK

---

## Jarrow NE32 5UP

This centre is conveniently located, which provides easy access to the A19 and the Tyne Tunnel. It is located near many bus routes and the centre is only a 10 minute walk to Jarrow metro station. There are shops located close to the business centre and the town centre is only a short distance away, containing the Jarrow Viking Centre and places to eat and drink. Newcastle is easily accessible, and is packed with attractions, and there are other attractions nearby including St Paul's Monastery and Bede's World.

This prestigious former police station, offers upmarket serviced office space with easy in and out terms. All offices come equipped with state-of-the-art Fibre Optic Broadband, phone systems, desks, chairs, drawers and full time reception with administration support. Meeting rooms and conferencing facilities and on site secure parking are also available, a great benefit to staff and visitors. There is air conditioning installed, creating a comfortable working environment at all times, especially important in those summer months. The space is accessible 24-hours a day, ideal for flexible working.
