

Serviced Office Space UK

Boston (United Kingd PE21 7TW

Boston is a town and small port in Lincolnshire, on the east coast of England, a traditional medieval market town - The original Boston! Boston's most notable landmark is St Botolph's Church ("The Stump"), the largest parish church in England, with one of the tallest towers in England visible for miles around from the flat lands of Lincolnshire. This business park, situated just outside of town is one of Boston's most prestigious developments. Excellently placed for routes linking Boston to the rest of the country, this high quality office park is home to some of Boston's major businesses.

This business centre, is a newly built state-of-the-art business enterprise centre located in Boston, Lincolnshire. The building offers cutting-edge facilities, business support and training to tenants and local businesses. The impressive facility provides high quality office accommodation, conference facilities and meeting rooms, hot-desking and virtual office space. This centre is focused on creating a vibrant business community; the businesses support each other in a mutually beneficial environment. 24-hour access is available and the space also offers 24-hour security, for added peace of mind.
