

Serviced Office Space UK

London NW1 9PE

Camden has great transport links with Camden road station right outside the door, and Camden town tube station only a five-minute walk away. There are also a number of buses right on our door step going to Kings cross, Kentish town, Euston, Hampstead and more. With Camden high street only a five-minute walk away there are lots of places to go for lunch, or you can go for a walk around Camden market.

Available in the centre of Camden is a number of offices built under the railway arches on Camden road. Each office is slightly different and have a variety of different shapes, sizes and designs to suit your business. There is a main security door to the building, and unisex toilets for all staff to use. All of the offices come unfurnished so you can create your own unique office space to suit the number of staff you have working for your company.
