

Serviced Office Space UK

Duxford CB22 4QR

This flexible workspace enjoys the perfect balance of being out of town but is still only a 15-minute drive to Cambridge city centre (junction 10 of the M11 is just a minute away). The centre is also only two miles from the nearest mainline station, with trains taking one to Cambridge, Stansted Airport and London Liverpool Street in no time at all. For visitors by air, the centre is only 15 minutes from Cambridge Airport and 30 minutes from Stansted Airport, and there are several hotels located in Cambridge itself.

These office facilities are created out of spaces once used for the day-to-day running of the Officers' Mess, now a Grade II listed building and part of the historic Duxford Airfield in South Cambridgeshire. During the refurbishment, several of the historic features were preserved, so one could be working in the officers' quarters or The Stores, allowing one to indulge in nostalgia while enjoying the benefits of the latest office fittings. The centre provides an exceptional public space, an enclosed courtyard with a café, relaxed seating and a co-working area. True to its name, it forms the central hub of the building which will impress its guests. The Officers' Mess offers great amenities, including serviced offices, co-working, dedicated desks, virtual offices and meeting rooms, equipped with the latest technology and 24/7 access.
