

Serviced Office Space UK

3 Azure Court

Sunderland SR3 3BE

Doxford International Business Park is one of the key locations for corporate headquarters and is home to a number of national and international companies including Barclays and EE. It benefits from fantastic access and communication links being directly adjacent to the A19 and approximately five miles from Sunderland City Centre.

This centre comprises a two-storey, self-contained office building. The offices benefit from on-site parking, 24-hour access, entry phone system, comfort cooling and lift. Finished to a high standard the building provides predominantly open plan offices although there are a number of smaller offices which have been created using high quality demountable partitioning.
