

Serviced Office Space UK

New Malden (Kingston KT3 4QF)

New Malden is a part of Greater London. It is situated close to Kingston and Wimbledon. New Malden station is serviced by SW Trains. The centre sits just a two-minute walk from that station and also has parking nearby. There are also good amenities in the area and plenty of options for eating or entertaining clients. The High St has a wide range of national retailers including Waitrose, Boots and Smiths. There are also numerous independent restaurants giving a wide variety of cuisine including the renowned Greenhouse gastro pub. There is a major development planned for next year only a few hundred yards from the building which will be a mixed retail and residential scheme providing much needed modern apartment's in the town centre.

This centre offers a professional environment which comes fully furnished with high speed internet and telephone connectivity. The agreements are from just three months and at a fixed monthly cost with no up-front investment it makes the serviced office solution ideal for start-ups with cash flow concerns, SMEs with ambitious growth plans, or even a corporate with short term overflow or expansion needs. Situated between Kingston and Wimbledon, New Malden offers excellent communications via road and rail links and has a regular direct service into London Waterloo, the busiest station in the UK.
