

Serviced Office Space UK

Shirley B90 4AA

This business centre is easily accessed using local transport networks. It is near to the M42 junction 4, on an arterial route into the city well served by local bus routes. In addition, Solihull, Shirley, Birmingham International and Widney Manor train stations are a short taxi ride away. Shirley Parkgate and the Shirley Shoppers district are a short distance away with local and high street brands and restaurants. Four main supermarkets are also located nearby with one only 5 minutes walk.

Based in a Grade A modern office building, with shared reception services, on site mail handling facilities and 24 hour access available all year round through secure fob system. The site benefits from secure car parking to the rear of the building and an onsite backup generator. It also has a high speed broadband connection, modern boardroom available for hire on the ground floor and good access to strong local amenities including high street brands and independent companies, with M&S food immediately adjacent.
