## Long Eaton NG10 1HH

Situated in the centre of Long Eaton, a Victorian industrial and market town to the west of Nottingham, famous for furniture making, the hub is at the heart of the town centre. Located amongst shops, banks, town centre amenities and parking, the location is convenient for all your business needs. Close to train and tram links and main routes to Nottingham city just a few miles away, and with M1 motorway J25 just 2.4 miles away, the hub has excellent communication links. Easy to reach for you and your clients.

This high quality, professional business centre provides a corporate style for your business that is flexible and affordable. The offices are light and airy and decorated to a high spec to provide comfort in a professional environment. There is a range of meeting rooms for private hire by the hour, day or week. Rooms include boardroom/conference/training room (18 person/boardroom style/30 theatre style), meeting rooms 1-12 people, day offices, coworker spaces/hot desks and serviced offices for permanent rent. The business lounge with free refreshments and wifi is available to all users. Admin assistance and print station as well as virtual office options.
