

# Serviced Office Space UK

---

## Nottingham NG7 3EN

This centre is ideally located near the main roads in Nottingham, including the ring road, the A52 and the M1. The space also has great proximity to various bus routes to and from city centre (at least 3 regular bus routes). In addition there is a variety of coffee shops and food chains within walking distance should you need sustenance during the day. The Centre provides office space for all types of small businesses and start-ups, offering serviced offices, virtual tenancies, meeting rooms and a newly refurbished 'Hot Desking' facility with Wi-Fi. There is free meeting room use for tenants, on-site free parking and a full reception service.

The centre provides offices for all types of small businesses and entrepreneurs with a particular focus on those businesses in the green, environmental and low carbon sectors. It provides serviced offices, virtual tenancies and meeting rooms, as well as warehouse space. There is also free meeting room use and full reception services including the ability to provide phone answering facility etc. There are on-site car parking spaces, ideal for those commuting by car and for visitors to the space. Breakout and lounge space is available, perfect for more informal gatherings when a meeting room isn't required.
