

# Serviced Office Space UK

---

## Nottingham NG7 5PN

This property is ideally located near the main roads in Nottingham, including the ring road, the A52 and the M1. It has also great proximity to various bus routes to and from city centre (at least 3 regular bus routes), and Nottingham Railway Station has great connections including to London and Birmingham. In addition there is a variety of food shops within walking distance should you need sustenance during the day and there are more amenities in the centre of Nottingham, as well as a range of hotels.

This is a managed office space facility that provides serviced offices, along with conference, training and meeting space. It provides an ideal environment for business start-ups and enterprise development within the locality. The centre offers a range of commercial office space with flexible "in and out" terms, a fully inclusive package (including heating, lighting, business rates etc..), state-of-the-art broadband connection, full reception and administrative service, available meeting rooms, ample car parking for visitors and staff, and high-level security. The centre is ideally located between the City Centre and the M1 Motorway.
