## Old Oak Road

London NW10 6FF

This business centre is a short walk from Willesden Junction and North Acton, in the Paddington Depot area. This location provides easy access to the Central, Bakerloo and Overground lines, making it just a 14-minute journey from Euston. Willesden Junction sits at the heart of the future of London on the interchange between Crossrail and the proposed HS2 making a place to set up base. Situated just one stop from the bustling area of White City, this centre is in the optimal position. The regional transport links are also excellent and provide all prospective tenants with a range of frequent and convenient services throughout the area.

This centre of this workspace community provides an innovative opportunity to work alongside like-minded, entrepreneurial businesses in beautiful, modern spaces, outshining others in the area. As the distinction between careers, personal and social lives becomes less defined, how work and life will adapt. The exciting workspace is more than just a conventional office, set in a vibrant, open space with four-metre-high windows. In addition to private and shared fixed desk space, hot desks and break-out areas have an expansive event space, outdoor seating gardens, a gym, lounge, restaurant and lively bar.
